Rita Mulcahy pmp exam prep 10th edition pdf

2022 Exam-Ready - Aligned with the current PMP® ECO PMP® Exam Prep, Tenth Edition - Upgraded reflects PMI's changes to the PMP® Examination Content Outline (2021). It is intended for the current PMP® exam and will continue to be relevant throughout 2022. This Upgraded Edition of our best-selling book now includes a license to the new PM FASTrack® - PMP® Exam Simulator - Version 10 Basic subscription. PM FASTrack® Basic includes all the great features of our online exam simulator. FASTrack® Basic grants users a one-year license. During this period users may try one full 180-question exam simulation and up to 8 small, focused tests. The questions are drawn from our full database of over 2200 questions. For those students who require additional practice, a paid upgrade to the full version of PM FASTrack® grants the user unlimited testing from the entire FASTrack® database. For more than 25 years, Rita Mulcahy's PMP® Exam Prep book has been helping project managers all over the world pass the PMP® exam. The book offers hundreds of sample questions, thought-provoking exercises, and critical time-saving tips, to help you pass the PMP® exam on your first try. This unique Course in a Book® will help you identify gaps in your knowledge and will teach you Tricks of the Trade® designed to fill those gaps, allowing you to pass the exam. With content developed exclusively by RMC, this book ensures that project managers will optimize study time and focus on what matters to become certified. For the tenth edition, RMC included comprehensive agile content that will help prepare students for the latest exam. This edition provides even more depth into areas of project process, integration, communications, stakeholders and more. Count on RMC's decades of PMP® exam preparation experience to ensure you don't waste a single minute of your time studying! Project Management Professional (PMP)® Exam Prep, 10th Edition Rita Mulcahy (10th Edition) book has been fully updated to reflect PMI's changes to the new updated PMP® Exam Content Outline effective Jan 2, 2021 and the release of A Guide to the Project Management Body of Knowledge (PMBOK® Guide)—Sixth Edition. It is recommended by the Project Management Institute to take the PMP Exam before December 2020, before the PMP exam pattern changes. This book is the global bestseller for many years now and still the much in demand. Years of PMP exam preparation experience, endless hours of ongoing research, interviews with project managers who failed the exam to identify gaps in their knowledge, and a razor-sharp focus on making sure project managers don't waste a single minute of their time studying are the reasons this book is the best-selling PMP exam preparation guide in the world. PMP® Exam Prep, Tenth Edition contains hundreds of updates and improvements from previous editions—including major updates to the topics of Integration Management, Risk Management, Quality Management, and Resource Management. Offering hundreds of sample questions, critical time-saving tips plus games, and activities available nowhere else, this book will help you pass the PMP exam on your FIRST try. Features of this worldwide best-selling resource include the following: • Practice exam questions—more than 400 throughout the book. • A focus on what you really need to know to pass the exam. • Exclusive exercises and Tricks of the Trade®. • A straightforward approach to complex material. About Rita Mulcahy, Founder of RMC Combining her knowledge of accelerated learning with extensive project management expertise, Rita Mulcahy founded RMC in 1991. By 1999 she had published the best-selling project management book PMP® Exam Prep and was leading one of the fastest-growing training organizations in the industry. Although Rita passed away in 2010, RMC continues her mission today with a growing line of project management, business analysis, and agile-related courses and products. These resources promote her vision of improving the world through effective professional development and skills training. Today, Rita's products, classes, and e-Learning courses are used as professional development tools by hundreds of thousands of individuals across the globe, and in hundreds of classroom-based prep classes at universities, training companies, and corporations large and small.
